We offer for sale a prestigious apartment located on the third floor of one of the city's most sought-after buildings, in a truly exceptional location: central, convenient to all amenities, and particularly sought-after for its quality of living.

The property stands out for its generous spaces, increasingly difficult to find on the market today. The entrance leads to an extraordinary living room with a fireplace and access to the terrace, a rare and impressive space, ideal for those who enjoy living at home and entertaining guests. The eat-in kitchen is separate, while the sleeping area includes three bedrooms and two full bathrooms.

The property also includes a spacious cellar of approximately 30 square meters and a triple covered parking space, elements that contribute to making this proposal even more exclusive and functional.

Equipped with independent heating and sold partially furnished, the apartment represents a rare opportunity: a combination of a prime location, an excellent residential setting, and a size rarely found in modern buildings. Available immediately.
