In a very green and sunny residential area, we offer an apartment in a small four-family building. Located on the mezzanine floor, it comprises a kitchen, living room, two bedrooms, bathroom, and terrace. On the lower level, there is a large basement with laundry room. A convenient garage completes the property. There are no condominium fees as the four families manage their own living arrangements. The apartment is in excellent condition and is being sold with part of the original furnishings. No work required, it is ready to move in immediately. Available from early 2027.
